Read this: John Burgess, prop. City Hotel, says: "Several years ago my kidneys were weak and bothered me. My back ached severely through my kidneys and I could hardly stoop or bend as my back was so sore. The kidney secretions were too free in passing and highly colored. I had to get up as often as eight or ten times a night and my rest was broken. Doan's Kidney Pills cured me of this and know they are a good reliable remedy." Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Burgess had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. Adv

# January CLEARANCE Sale

Never before have we found it necessary to make such a drastic reduction of prices. The prices named for this sale not only mean the sacrifice of all profit, but in the aggregate, the loss of thousands of dollars. We think it is best for us to take our loss now as our contribution to the return of more normal conditions, and it is certainly a great satisfaction to know that the losses we take will go out to our many friends and patrons and in the long-run we believe it will prove a benefit to us. The goodwill of our patrons is our most valuable asset. We must keep faith with our customers, so during this sale and for the coming year, we propose to re-double our efforts to make the Graham Store of real service in this community.
